

Forum Display Options for Managing Replies

Click on the specific forum to see replies.

At the top of the page, use the dropdown menu to select the display format. Click on each option to see how replies can be displayed.

In this example, we see the Nested form.

Two students have replied to the original Forum Question (Mary Smith and Ray Lewis).

One of the two students (Ray Lewis) has also responded to the first student's reply. That response is indented.
