[Summary](#) [Organizer](#) [Airings](#) [People](#) [Tags](#)

Recently 129 college and university presidents and administrators signed a petition to support a debate over whether the drinking age should be changed from 21 to 18. Jim Fell and Sanford Ungar talked about the pros and cons of changing the drinking age in the U.S., and they responded to telephone calls and electronic mail. Mr. Ungar favors this debate to lower the drinking age while Mr. Fell opposes it.
