

a guide to

# Baltimore and Towson

Brought to you by the AAGC  
(Alumnae & Alumni of Goucher College)

# Welcome to goucher

After you've located your room and unpacked your stuff, you'll probably find out that you're going to need more than just what you brought in the car. Whether it's a meal, a lamp, or some snacks to stash for later, you'll find a list of local businesses within the pages of this guide that can provide what you require.

This is not an all-encompassing guidebook to the surrounding college area. For a longer list of where to eat, stay, and go, check out [www.colltown.org](http://www.colltown.org) or visit the information desk in the Pearlstone Student Center. We encourage you to get out and see everything that Baltimore and Towson have to offer. Farmers' markets, festivals, parades, and other activities abound in the city—it's up to you to figure out what you'd like to see and do the most. Explore Towson—there are a number of local restaurants with great dinner menus, as well as Towson Town Center, the nearby mall.

We hope that after you've settled in, you will enjoy getting used to your new home away from home. We're glad you chose Goucher—welcome to the community!

# Inner harbor area & map

## **DIRECTIONS:**

Head north on Dulaney Valley Road. Take the 695 West exit (LEFT ramp). Follow 695 to 83 South, toward Baltimore. Upon arriving downtown, 83 South becomes President Street. The Inner Harbor area is on the right as President Street begins. Most streets in the area are one way, so turn right on Lombard Street, then left at any cross street (we recommend Light Street, to get a full view of the area), and then left on Pratt Street, which runs along the waterfront of the Harbor.

Harborplace (Pratt Street Pavilion and Light Street Pavilion) and the Gallery Mall form the main shopping area in the Inner Harbor. All buildings are located near the intersection of Pratt and Light Streets (marked by the star on this map). Parking is available at a number of garages and street lots in the area. Also, don't miss the Aquarium, the Science Center, and the American Visionary Art Museum, all located on or around the Harbor front.

## **SOME AREA RESTAURANTS:**

**CHEESECAKE FACTORY**, *Extensive menu; moderate prices;*  
Pratt Street Pavilion, 201 E. Pratt St., (410) 234-3990

# Little italy & fells point

Fells Point and Little Italy are within five minutes of the Inner Harbor area. The easiest way to get to both neighborhoods is to follow the directions to the Inner Harbor and stay on President Street by making a left. When you make that left, you're in Little Italy. Keep going straight to Broadway, turn right, and you're in Fells Point.

*Special Note:* Fells Point is also accessible by water taxi from the Inner Harbor.

An inexpensive ticket gets you all-day ride service; if you're interested in seeing both the Inner Harbor and Fells Point, it's less expensive to buy an all-day water taxi pass than to take a cab or move your car to a different parking garage. It's also more fun! Visit [www.thewatertaxi.com](http://www.thewatertaxi.com) for more information.
