

Student Billing Checklist For Spring 2012

The Spring 2012 E-Billing statement will be available on December 8, 2011. All students will receive an E-Billing statement. Students must grant access to parents to receive E-Billing notification. If you have not already done so, go to www.goucher.edu/webpaygrantingaccess for instructions. It is the responsibility of the student to grant access to the parent and have the balance paid by January 4, 2012.

- If your Spring statement requires an adjustment, submit the **Account Correction Form** online at www.goucher.edu/accountcorrection
- If you are changing from the meal plan charged on your Spring statement or are adding a meal plan, you should submit your meal plan change online at www.goucher.edu/mealchange by the deadline, February 6, 2012
- Spring semester payments are due January 4, 2012. **Make your payment online!** Go to www.goucher.edu/webpay. For other payment options click on the Payment options link on the Billing home page.
- New or Transfer students will be mailed Goucher Health Insurance Information. The **Goucher Health Insurance Enrollment/Waiver information is** mailed by our broker, RCM&D. Goucher's Health Insurance plan is provided by United Health Care. Submit the online enrollment or waiver form directly to RCM&D. If you have your own health insurance, you must waive our insurance online to avoid being charged the \$585 spring/summer premium.
