July 2009

Dear Parent and/or Student:

Enclosed is your Fall 2009 billing packet, containing detailed information on your fall charges and credits, financial aid, and meal plan options. This year, we are also including a Student Billing Checklist to make the billing process easier. For information on general billing topics, such as current tuition charges, fees, deadlines, and prepayment discounts, please visit www.goucher.edu/billing. Our online forms and downloads can also be accessed through this website.

QUICK OVERVIEW

- **Pay bill by August 4, 2009, to avoid \$150 late fee.** Any student whose account balance is not settled by his or her check-in date will not be permitted to attend classes, reside in a residence hall, or use college facilities. *Please return payment (checks payable to Goucher College) in the white remittance envelope with our P.O. Box address.*
- **Fall Semester Account Correction Worksheet.** In order to help you—and our office—quickly account for any difference between the payment due on the Fall Statement and the payment sent, use this [online](#) worksheet to identify any adjustments to the Fall Statement.
- **Meal Plan Changes.** New students are automatically billed for the 190-block meal plan. Continuing students are billed for the meal plan they selected during spring room draw. All students may change their fall meal plan online through September 14, 2009. Please take a moment to review the Meal Plan Options brochure in your packet.
- **Health Insurance Information.** All full-time students must be covered by health insurance. In mid-July, Hulse/QM, the college plan's administrator, will mail all students information on selecting or waiving Goucher's health insurance. If a student already has adequate health insurance, s/he must officially waive the Goucher health insurance coverage to avoid being charged the \$850 premium.
