Incompletes at Goucher College are given only for reasons beyond the student’s control, namely medical reasons or death in family. In all instances, the student must initiate application for an incomplete with the instructor, and it must be submitted to the Registrar’s office by 5:00 p.m. on the last day of classes of each semester. Incompletes are intended to apply to cases where the student has completed at least three-quarters of the work of the semester. The instructor has the right to deny an application for an incomplete.

Students applying for an incomplete after the deadline, due to an emergency situation during exam week, must submit the request for an incomplete along with a petition for an exception to college policy, to the associate provost for undergraduate studies, prior to the submission of a grade. The associate provost will determine, in conversation with the instructor of the class, the eligibility of the application.

- Medical Reasons
  The student may be required to substantiate with a statement from the director of student health and counseling or a treating physician.

- Other Crisis
  For example, the death of a parent.

- Academic Reasons
  Factors within the course which have caused an unavoidable delay and would have posed an insurmountable difficulty for a person taking the course regardless of ability or previous preparation. **This category of complete is not to be used merely to allow the student time to do a more thorough job.**
