Neither your major nor minor will appear on the diploma but this information is needed for the commencement program. Any changes in your major, minor or concentration must be done through the associate academic dean for undergraduate studies.

IMPORTANT: You must complete **all** graduation requirements in order to be cleared for graduation. This includes general education and major/minor/concentration requirements, as well as required credits and grade point average. **Goucher has commencement and awards diplomas once an academic year in May. Those completing requirements prior to the May commencement will receive a letter verifying completion of degree requirements.

Due date for form: November 6, Friday
