

**How to Allow Cookies in Netscape Browser**  
**Guide for Online Blackboard Students**  
**Welch Center for Graduate & Professional Studies**  
**Goucher College**

<p>Open Netscape</p> <p>Select <b>Tools</b></p>	 <p>A screenshot of the Netscape Browser interface. The title bar reads "Goucher College Education Without Boundaries - Netscape Browser". The menu bar includes File, Edit, View, Go, Bookmarks, Tools, and Help. A red arrow points to the "Tools" menu. The address bar shows "http://www". Below the address bar are buttons for "Personal", "Weather", and "Webmail". A tab is open with the title "Goucher College Education Witho...". The main content area displays a banner for "GOUCHER COLLEGE" with subtext "PROSPECTIVE STUDENTS PARENTS CURRENT STUDENTS".</p>
<p>Select <b>Options ...</b></p>	 <p>A screenshot of the Netscape Browser with the "Tools" menu open. The menu items are: Web Search (Ctrl+K), Desktop Search (Ctrl+Shift+K), Downloads (Ctrl+J), Extensions, Themes, JavaScript Console, DOM Inspector (Ctrl+Shift+T), Page Info, Tab History, Undo Tab Close (Ctrl+Z), Security Center, and Options... A red arrow points to the "Options..." menu item.</p>
<p>Options Window opens</p> <p>Select <b>Site Controls</b></p>	 <p>A screenshot of the "Options" dialog box. It is divided into two panes: "Browser Options" and "Security and Privacy". Under "Browser Options", there are categories: General (Customize basic browser settings), Profiles (Give users their own controlled space), Screen Name (Stay logged in to Netscape sites), Downloads (Set up how downloads are handled), Tabbed Browsing (Tweak the way tabs open and close), and Advanced (Get under the browser's hood). Under "Security and Privacy", there are categories: Site Controls (Manage your site security settings), ID Theft Protection (Suspicious site notification settings), Spyware Protection (Keep your system free of spyware), Browser Update (Adjust your software update settings), Privacy (View and clear stored browser info), and AutoFill (Manage and protect your saved data). A red arrow points to the "Site Controls" category. At the bottom are "OK" and "Cancel" buttons.</p>

Site Controls window opens

Select **Allow Cookies**
