- Fund or purpose of your gift
- Name and phone number of your broker/banker/financial advisor

There are three ways to transfer stock to Goucher College:

- **Deliver Stocks Electronically**

To transfer stocks electronically, you can notify Goucher of your intention to transfer the stock by calling one of the numbers listed above; in addition, have your broker/banker/financial advisor contact Goucher College's broker, PNC Bank, N.A. Asset Management Team. The contact information and stock delivery instructions for PNC Bank, N.A. is on the attached form.

- **Deliver Stocks by Hand**

To hand-deliver stocks, endorse the back of the stock certificate(s) in our presence or sign a separate stock assignment form, or stock power. In addition, we can arrange for a development officer to meet you at your home or office to receive the gift of stock.

- **Deliver Stocks by Mail**

To send stocks by mail, send the stock certificate(s) and the signed power(s) in separate envelopes. We recommend that the stock certificate(s) be sent by registered or certified mail, return receipt requested. Enclose a cover letter providing your name, address, and telephone number, along with any designated purpose for which the gift is being made. We will need a separate stock power form for each certificate of stock.

Please ensure the stock power(s) are signed exactly as the name reads on the stock certificate. Do not fill in Goucher's name on the stock power. A stock power form is available from your broker/banker/financial advisor.
