To keep you in the loop, here's a quick list of basic procedures along with move-in tent assignments for each house.

- Please follow instructions from students, faculty, and staff members about navigating the Loop Road to your correct residence hall.
- There will be three separate unloading zones adjacent to different residence halls. Look for a tent with your specific tent letter (A-C).
- Goucher community members will help you quickly unload.
- Once your vehicle is unloaded, please move it to a nearby parking lot. See map for parking based on tent location.
- After you move in, if you leave campus to run errands, please return after 12:45 p.m. to avoid traffic congestion and possible delays.
