Welcome to Goucher College!

We are so excited you chose to attend Goucher for your college experience! Goucher College strives to foster a warm and inclusive environment for all students. Please note that the term **new student** applies to all who are beginning their Goucher career this fall semester. **This schedule is for those who are transfer students.**

After you've moved onto campus, or checked in at the commuter student lounge, you'll start the New Student Orientation process. You'll meet your Goucher Guide, a peer mentor who will lead you throughout the week as you get to know the campus.

In the meantime, this is the preliminary schedule for new student orientation for **transferring new students**. This may include international and exchange students as well. All new students are required to attend new student orientation sessions, and if you are involved in another program (e.g., athletic team, etc.) your instructor/coach is aware that you are asked to be at orientation.

A detailed schedule will be provided at Move-In and Check-In on **Saturday, August 17**.
