

March 2017

Dear Students and Parents:

In April students will be preparing for fall 2017 by registering for classes and selecting their room assignments. As in past years, Goucher College requires a deposit by April 1 from each student who plans to reside on campus next fall and/or register as a full-time student. Please note the following important information regarding the fall deposits:

Fall 2017 Full-time Students

By April 1, 2017, a \$500 *non-refundable* enrollment deposit is due in the Student Administrative Services (SAS) Office for all undergraduate students planning to register full-time for fall 2017 classes. Students should also make sure there are no holds on their account prior to fall registration. *Students planning on studying abroad for the fall 2017 semester only need to submit the study abroad deposit to the International Studies Office.*

Fall 2017 Resident Students

By April 1, 2017, a \$100 *non-refundable* housing deposit (in addition to the \$500 enrollment deposit) is due to the SAS Office from current resident students who wish to participate in the fall 2017 room draw. Students must also be registered full-time for fall 2017 and have no holds on their account at the time of room draw.

Students should have settled their spring tuition account balance prior to registering and participating in room draw for the fall semester.

We strongly encourage you to remit your deposit(s) as soon as possible as they must be received no later than April 1, 2017. For your convenience, you can pay your deposit(s) online at www.goucher.edu/webpay and it will be credited to the student's account immediately. Payment can also be mailed directly to the Student Billing Office, Goucher College, 1021 Dulaney Valley Road, Baltimore, MD 21204. More information is included on the enclosed deposit form and on our website (www.goucher.edu/billing).

We look forward to having our juniors, sophomores, and freshmen rejoin us next fall. If you have questions about the fall deposits, please e-mail our office (billing@goucher.edu). Thank you.

Sincerely,

Jeanne Strickler
