

Meal Plan Information 2017-2018

Meal Blocks / Swipes: The term Blocks or Swipes refers to one meal. A 240-Meal Block Plan means you will have 240 meals to use per semester. Meals unused at the end of the semester do not carry over to the next semester; they expire.

Meal Blocks / Swipes should only be used in the all-you-can-eat Stimson Dining Hall, not for smaller “snack” items. Using a Meal Block outside of Stimson Dining Hall (at Alice’s, the Passport Café or The Van) only covers up to \$7.65, a lower value than in Stimson Dining Hall.

Dining Dollars: Each Residential Meal Plan comes with \$300 in Dining Dollars. Dining Dollars should be used at Alice’s, the Passport Café or The Van. If you’ve run out of Meal Blocks / Swipes, Dining Dollars can be used to pay for meals in Stimson Dining Hall (see Meal Cost chart below, on right). Dining Dollars unused at the end of the semester do not carry over to the next semester; they expire.

Gopher Bucks: Gopher Bucks can be used anywhere on campus, and some off-campus locations, in place of cash, or credit and debit cards. They can also be used to purchase meals in the Stimson Dining Hall, as well as at Alice's, the Passport Cafe and The Van. Gopher Bucks carry over from semester to semester. Balances over \$10 will be refunded after the student has graduated or is no longer attending.
