

## GOUCHER COLLEGE OFFICE OF STUDENT ENGAGEMENT STUDENT TRIPS POLICY (revised October 2016)

This policy and procedure applies to all student organizations, including student clubs chartered by Goucher Student Government (GSG), that engage in off-campus trips, no matter the duration. Failure to comply with these requirements may result in suspension of future trips, at the discretion of the Office of Student Engagement. Additionally, GSG Club Council may also freeze organization funds, deny funding, and/or withdraw the organization's charter.

### REGISTRATION AND APPROVAL

- ❖ Any student organization that plans to engage in an off-campus trip is required to fill out the Off-Campus Trip Request form (available online at [goucher.edu](http://goucher.edu) and in the Office of Student Engagement) and submit to OSE at least 7 business days in advance.
- ❖ Please contact the Associate Dean of Students for Community Life at least a month in advance to schedule a meeting for any trip that is greater than 250 miles from the Goucher campus.
- ❖ Upon review of the form, OSE will either approve the trip, deny permission for the trip, or request further information from the student organization in order to make a decision about the trip.

**No student organization may engage in any off-campus trip without first obtaining OSE approval.** Please note that student organizations must identify a Goucher faculty or staff member who will serve as their adviser in the trip-planning process, and who will accompany them on any overnight trip to destinations that are farther than two hundred fifty (250) miles from the Goucher campus. It is the responsibility of the student organization to pay the travel costs of the faculty/staff adviser accompanying the trip. *Student organizations may request an exception to the requirement of faculty or staff presence on a trip, which shall be decided by the Associate Dean of Students for Community Life, in consultation with Legal Counsel, based on such criteria as the distance and length of the trip; the nature and risk level of the activities on the trip; and issues, if any, related to this or other past trips taken by the student organization.*

### FUNDING

- ❖ Once OSE has approved a trip, the student organization may seek to obtain any needed funding from a variety of sources, including its own budget, GSG, other college sources, or sources outside of the college.
- ❖ Source of funding does not affect the organization's obligation to comply with the requirements of this policy and procedure.

### WAIVERS

- ❖ No later than 48 hours prior to the trip's departure time, the student organization must provide OSE with individual waivers signed by each trip participant. Waivers are available in the Office of Student Engagement or online at [goucher.edu](http://goucher.edu).
- ❖ No participant will be allowed to go on the trip without having signed a waiver.

### PARTICIPANT LIST AND ITINERARY

- ❖ No later than 48 hours prior to the trip's departure time, the student organization must provide to OSE a written list of participants, and an itinerary that includes travel arrangements, destination(s), and accommodations.
- ❖ The college reserves the right, at its sole discretion, to prohibit a student from participating on a trip based on the student's academic or disciplinary records. Prospective student participants should be informed that they must be approved for participation by the Associate Dean of Students for Community Life, who will review each student's academic and disciplinary records for this purpose.

## TRAVEL AND ACCOMMODATIONS

- ❖ If any travel for the trip is by college-owned, leased, rented, or privately owned motor vehicle, drivers must comply with and be approved under the college policy on Use of College-Owned and Leased Vehicles or on Use of Personal Vehicles for College-Sponsored Activities. These policies are available online at: <http://www.goucher.edu/legal-counsel/all-policies-and-procedures-a-z/vehicle-policies-and-forms>. **Students who plan to drive must complete all aspects of the application process described in these policies at least 3 weeks (15 business days) prior to the trip.**
- ❖ Goucher has partnered with several local hotels to be used for all invited performers, speakers, or guests of the college. An up-to-date list of these hotels can be found at the travel portal under *Hotels >> Preferred Goucher Lodging*.
- ❖ All flights for performers, speakers, or guests of the college as well as student travel to conferences and/or competitions must be purchased through the *Flights* section of the travel portal.
- ❖ Any overnight trips to destinations that are farther than two hundred fifty (250) miles from the Goucher campus must utilize planes, trains, busses, or other vehicles driven by professional drivers. No student is permitted to serve as the driver such a trip. *Student organizations may request an exception to this policy, which shall be decided by the Associate Dean of Students for Community, in consultation with Legal Counsel, based on such criteria as the distance and length of the trip; the nature and risk level of the activities on the trip; and issues, if any, related to this or other past trips taken by the student organization or individual student drivers.*
