

2025-2026 – Unaccompanied Youth MeetingUpload: goucher.edu/faupload

Fax: 410-337-6504

A student is considered homeless if he or she lacks fixed, regular, and adequate housing. It includes but is not limited to: youth sharing housing with other people temporarily because they had nowhere else to go; youth living in emergency or transitional shelters, for example, trailers provided by the Federal Emergency Management Agency after disasters; youth living in motels, campgrounds, cars, parks, abandoned buildings, bus or train stations, substandard housing, or any public or private place not designed for humans to live in; youth living in the school dormitory if they would otherwise be homeless; and youth who are migrants and who qualify as experiencing homelessness because they are living in circumstances described above.

The documentation for an FAA's evaluation of the living arrangements of a student must demonstrate that he or she meets the definition of this category. The determination may be based upon a written statement from the student **and a documented interview with Student Financial Services** in which the student confirms that they are an unaccompanied homeless youth, or unaccompanied, at risk of homelessness, and self-supporting.
