

ENDOWED SCHOLARSHIPS

Endowed scholarships are an important source of funding for need-based grants awarded by the Office of Student Financial Aid. These endowed scholarships are made possible through generous gifts by alumnae/i, trustees, corporations, foundations, employees, and other friends of Goucher. There is no separate application process for these awards, but recipients are expected to communicate with the donor/s or their families in order to express appreciation for these funds. In most cases, endowed funds underwrite existing Goucher need-based grants and are a dollar for dollar switch with other institutional funds already awarded.

THE RHODA M. DORSEY SCHOLARS PROGRAM

Dr. Rhoda M. Dorsey, Goucher's 8th and longest continuously serving president, influenced generations of Goucher students. From her early days as an assistant professor of history to her volunteer work upon her retirement, she mentored, encouraged, and inspired the Goucher community to greatness. She was also nationally known and respected for her leadership in civic engagement and higher education. The Dorsey Scholars Program was created to honor her legacy. This program offers outstanding students an annual merit need-based \$5,000 scholarship in addition to any other academic awards received.
