Private Swimming Lessons

The Goucher Aquatics Center is pleased to announce that from September through May only, we will be offering private swim lessons and instruction to the community. **Instruction will be on a one-to-one basis and focus on your individual needs.** Previous experience is not necessary and we welcome participants of all levels of ability (ages 3-100+).

The Goucher College Aquatic Center Swim Lesson program is designed to promote aquatic safety through caring instruction in a personal environment. This individually orientated program covers techniques and knowledge in a steady progression for aquatic skill development. As they practices these skills they will become safer and better swimmers. For the more advanced swimmer these lessons will also focus on training and stroke refinement to prepare your child for the competitive level.

The private lessons will be on a first-come, first-served basis. Upon receipt of your registration form an instructor will contact you to schedule lessons. Each session will consist of six 45-minutes lessons. The cost for the six lessons will be \$165.00 or \$225 for semi-private* (2 swimmers max), payable to **Goucher Aquatics** and send to Goucher College Aquatic Center, 1021 Dulaney Valley Rd., Baltimore, MD 21204, or Fax :410-337-6576, or email: ttill@goucher.edu . *Please note semi-private only if the swimmers are same ability level.

Enrollment is limited for each instructor. A waiting list will be developed for interested applicants who cannot be immediately scheduled. **EACH PARTICIPANT WILL BE REQUIRED TO SIGN A RELEASE AND WAIVER OF LIABILITY FORM AS A CONDITION OF RECEIVING SWIM LESSONS.** Participants must pay fees prior to the start of the session.

Individuals are not eligible to use the pool outside of their class time unless they are members of the Aquatic Center. Membership information and information about other aquatic programs is available by contacting Thomas Till at (410) 337-6388.
