FLEXIBLE SPENDING ACCOUNTS

Goucher College offers employees the option to enroll in an FSA plan administered by Discovery Benefits. Eligible employees may redirect a portion of their pay through payroll deduction into a Health Care and/or Dependent Care FSA. The money that goes into your FSA is deducted from your pay on a pre-tax basis. Because you do not pay taxes on money that goes into your FSA, you decrease your taxable income and potentially increase your spendable income. Please note that this is a true "use it or lose it" benefit and that any contributions made to an FSA which are not used by the end of the plan year will be forfeited.

Health Care FSA

Employees may deposit up to \$2,600 annually into a Health Care FSA. The money deposited into this type of FSA can be used to pay for IRS approved health expenses not covered by your health care coverage. These expenses include deductibles, copayments, coinsurance payments, dental expenses and vision expenses.

Dependent Care FSA

Employees may deposit up to \$5,000 annually (\$2,500 if you are married and file separately) into a Dependent Care FSA. Contributions to this FSA may be used to pay for daycare expenses for your child, disabled parent, or spouse.

BASIC LIFE INSURANCE

Goucher College pays the full cost of Basic Life Insurance for Full-Time Employees. This benefit, offered through Cigna, is equal to one times (1x) your annual earnings (rounded up to the nearest \$1,000) to a maximum of \$400,000. Cigna Basic Life Insurance also includes free will preparation services.

BASIC LONG-TERM DISABILITY

Basic Long-Term Disability (LTD) is offered to Full-Time Employees at no cost. Eligible employees who meet the definition of disability will be eligible to receive a basic monthly benefit that equals 60% of their monthly earnings up to a maximum of \$10,000 per month. LTD benefits begin after 180 consecutive days of disability and are generally payable to age 65. This coverage is offered through Cigna.

VOLUNTARY AD&D

Eligible employees who need protection beyond Basic Life Insurance can elect Voluntary Accidental Death and Dismemberment (AD&D), a 100% employee paid benefit offered through Cigna. Voluntary AD&D helps protect you against losses due to accidents. If you enroll in the Employee Only Plan, you may purchase coverage for yourself in \$50,000 increments to a maximum of \$200,000.

If you enroll in the Family Plan, you must purchase coverage for yourself in order to be able to purchase coverage for your eligible dependents as follows:

- **Spouse if no dependent children are covered** – 50% of employee coverage amount to a maximum of \$100,000
- **Spouse if one or more dependent children are covered** – 40% of employee coverage amount to a maximum of \$100,000
- **Child(ren) if spouse is insured** – 10% of employee coverage to a maximum of \$25,000
- **Child(ren) if spouse is not insured** – 15% of employee coverage to a maximum of \$25,000

403(B) RETIREMENT PLAN

Full-Time Employees are eligible to participate in the TIAA-CREF plan of the College beginning with their first full month of employment. They are immediately eligible to receive the retirement match from the college if they were employed full-time by a higher education institution for the 12-month period preceding their employment at Goucher. Employees who do not meet the above criteria are eligible for the college's match beginning with their second year of employment. Employees who elect to participate are required to contribute 2%, 3%, or 4% of their base salary in order to receive a match of 2.5%, 3.75%, or 5% respectively. Employees are fully vested in the College's contributions after three years of full-time service.

Part-time Employees are eligible to participate and may contribute up to the maximum allowable amount each calendar year. Part-time Employees are not eligible for the college match.
