DENTAL BENEFITS

Good dental health is important to your overall well-being. It is for this reason that Goucher College offers employees the option to elect voluntary dental coverage.

You may choose from three dental plan options:

- **The Cigna DHMO**
- **The Cigna DPPO Standard**
- **The Cigna DPPO Enhanced**

FLEXIBLE SPENDING ACCOUNTS

Goucher College offers employees the option to enroll in an FSA plan administered by Discovery Benefits. Eligible employees may redirect a portion of their pay through payroll deduction into a Health Care and/or Dependent Care FSA. The money that goes into your FSA is deducted from your pay on a pre-tax basis. Because you do not pay taxes on money that goes into your FSA, you decrease your taxable income and potentially increase your spendable income. Please note that this is a true “use it or lose it” benefit and that any contributions made to an FSA which are not used by the end of the plan year will be forfeited.

Health Care FSA

Employees may deposit up to \$2,650 annually into a Health Care FSA. The money deposited into this type of FSA can be used to pay for IRS approved health expenses not covered by your health care coverage. These expenses include deductibles, copayments, coinsurance payments, dental expenses and vision expenses.

Dependent Care FSA

Employees may deposit up to \$5,000 annually (\$2,500 if you are married and file separately) into a Dependent Care FSA. Contributions to this FSA may be used to pay for daycare expenses for your child, disabled parent, or spouse.

VISION BENEFITS

Goucher College offers a voluntary vision benefit, provided through EyeMed, to eligible employees and their dependents. The plan covers eye exams and eye wear through a national network of providers. You can also choose to obtain services from a provider who is not part of the EyeMed network; however, you will receive a lesser benefit and typically pay more out-of-pocket.

*Cigna payments are based on the Allowed Benefits. Cigna participating dentists accept 100% of the Allowed Benefit as payment in full for covered services. Non-participating dentists may bill the member for the difference between the Allowed Benefit and their charges.

**Cigna's DPPO Enhanced Plan utilizes their Advantage network for in-network coverage. Additionally, members have access to Cigna's secondary DPPO network with the same benefit levels as out-of-network coverage, but with no balance billing.

***Annual deductible applies to Basic and Major Services only.

****All orthodontic coverage is limited to one course of treatment.
