

Who is excluded from submitting a Survey Request Form

The following surveys are excluded from the Goucher Survey Review Process. However, the primary survey administrator should consult the Goucher survey calendar on the OIE webpage to avoid conflicts.

- Academic evaluative surveys conducted by faculty, staff, or students.
- Surveys to the Alumnae/i population sent by the Advancement Office (does not include graduating student surveys).
- Surveys conducted by students in courses solely to fulfill the requirements of a course or degree program.
- Participants' event evaluations or event planning.
- Polls that involve voting.
- Feedback collected at point-of-service
- Course evaluations
