How to Make an Appointment with your Advisor Using Navigate

Navigate can be accessed easily through the Goucher website, or through the “myGoucher Links” section on your myGoucher account. Appointments can also be scheduled through the Navigate app on your phone.

Login to Navigate using your Goucher ID and password.
From your Navigate home page, go to the “Appointments” section and click on “Schedule an Appointment”.

Select that you would like to schedule a Pre-Major Advising appointment in the Advisor Office.
Be sure to schedule your appointment with your advisor. If you are unsure who your advisor is, this can also be found under “myGoucher links” on your myGoucher page.

Select what kind of appointment you would like to have with your advisor.
Click on a date to view your advisors’ available meeting times and select the time that works best for you.

If you have anything specific you would like to discuss in your meeting, write it in the box below your appointment information.

When you are all set, review your appointment details and confirm your appointment!

You should receive a confirmation email to your Goucher email account shortly.
