

Visit the Goucher College adoption form at **goucher.ecampus.com/optionform**.

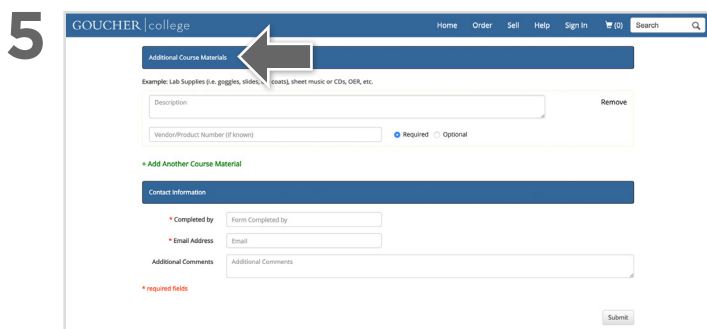

Under **Course Information**, use the drop-down menus to select the term and course you are teaching.

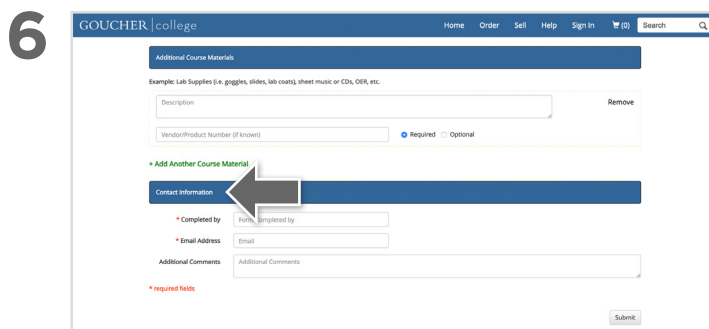

If you do not require a textbook for your course, mark it as **No Course Materials Required** under Book Information.

If you require a textbook, list the **ISBNs** you require or recommend for your course. Don't forget to choose the requirement level and mark it as Required New if it is a consumable item (i.e. loose-leaf or access card).

Under **Additional Course Materials**, list any other items you will require your students to purchase.

Under **Contact Information**, fill out your name and email in case we have questions. Use the **Additional Comments** section if there is anything else we should know. When you are happy with your adoptions, click **Submit**.
