

Submit an Assignment (Student View)

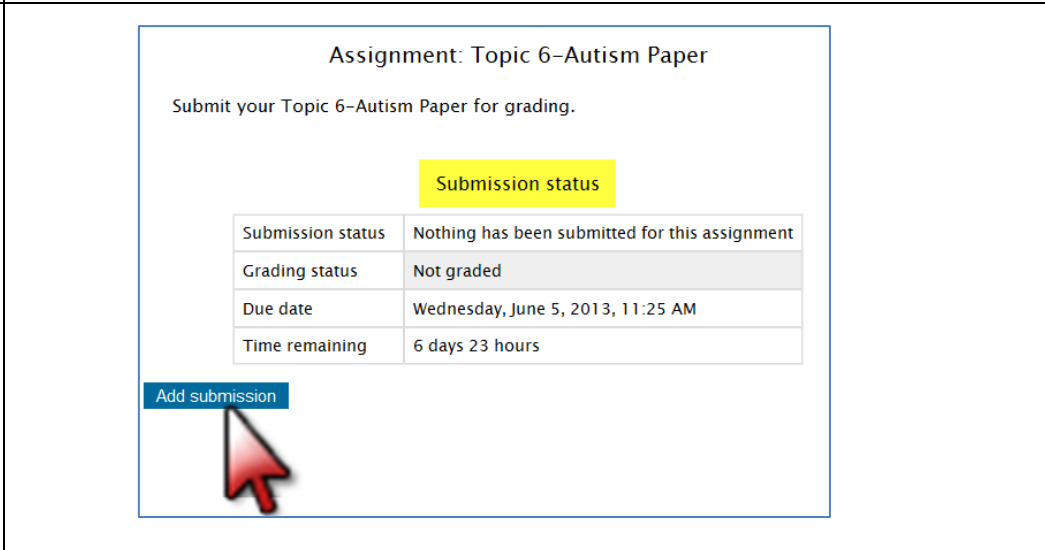

Open your course in GoucherLearn. The instructor may ask you to submit classwork using the Assignment feature. Assignment links have icons that look like clipboards.

Click on the link to submit a document.

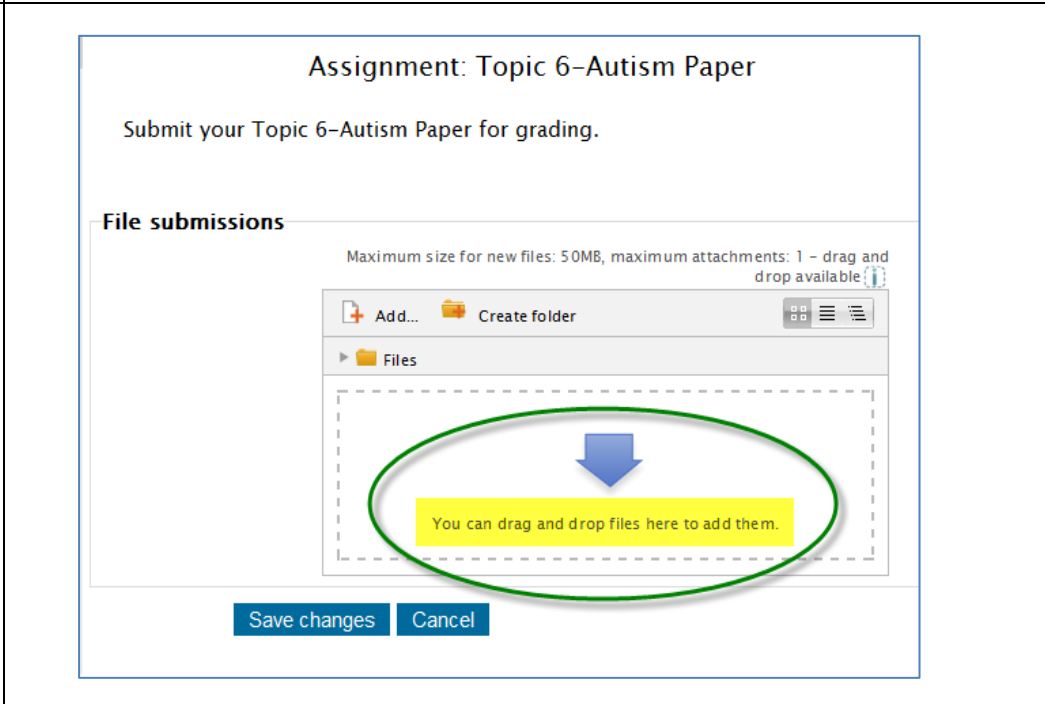

Read the **Submission status** information to keep track of your activity.

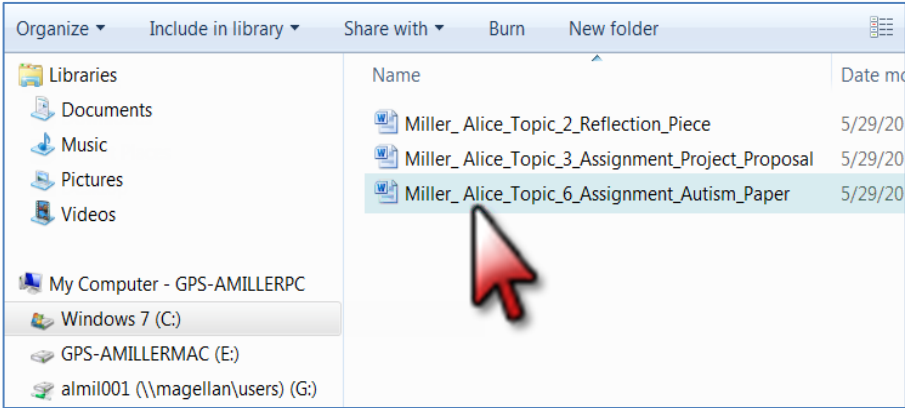

Click the **Add submission** button to submit a document for grading.

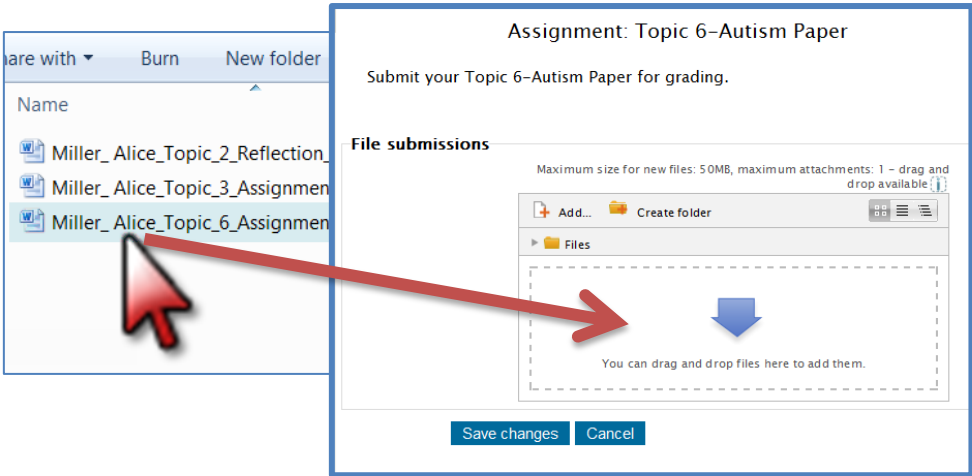

Use the drag and drop feature to drag files that you have saved on your computer or flash drive into the **File submissions** box.

With the File submission page still open, locate the file that you want to send to the instructor on your computer or flash drive.

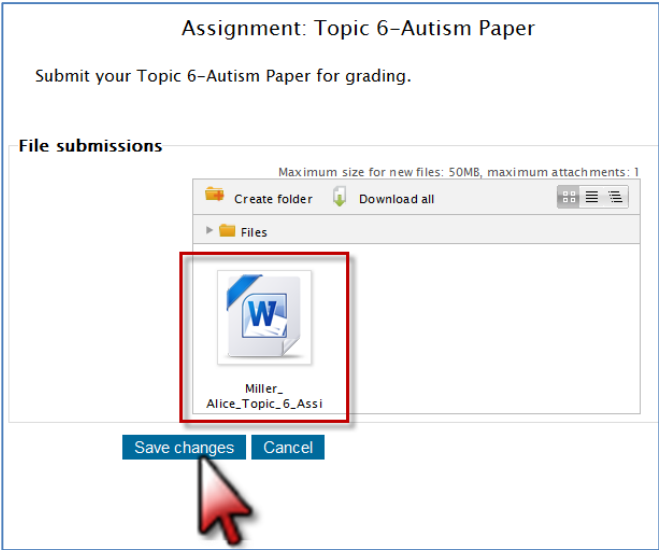

Click on the file and drag it into the **File submissions** box.

When the file appears in the File submission box it has been correctly uploaded.

Click the **Save changes** button.

The Submission status box will show that the document has been submitted for grading.

If needed, you may delete the file by clicking the **Edit my submission** button.
