

Save a Document as a PDF File & Submit it as an Assignment in GoucherLearn

Complete your final document and click the **File** tab at the top of the page.

Click the **Save As** option.

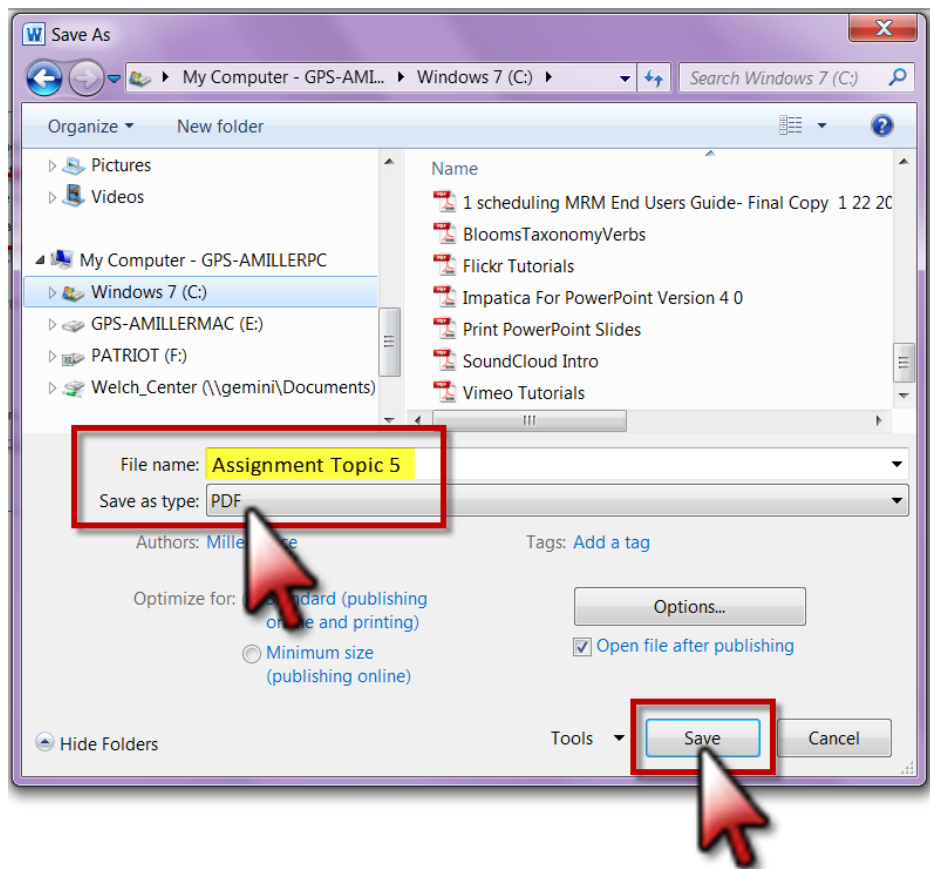

Select the drive were you want to save the file; for example, *Windows 7 (C:)*.

Type a name for the document in the **File name** box.

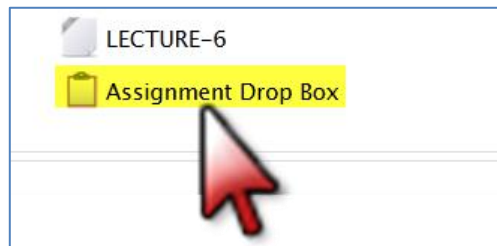

In the **Save as type** area select **PDF** from the dropdown menu.

Click the **Save** button at the bottom of the window.

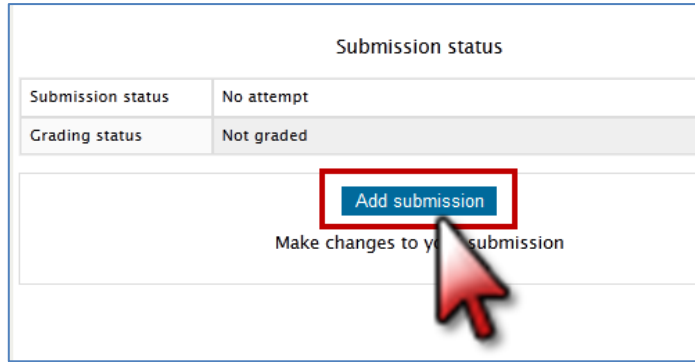

The document is now saved to your computer as a PDF file.

Open your GoucherLearn course and click on the link to the Assignment to submit the PDF document.

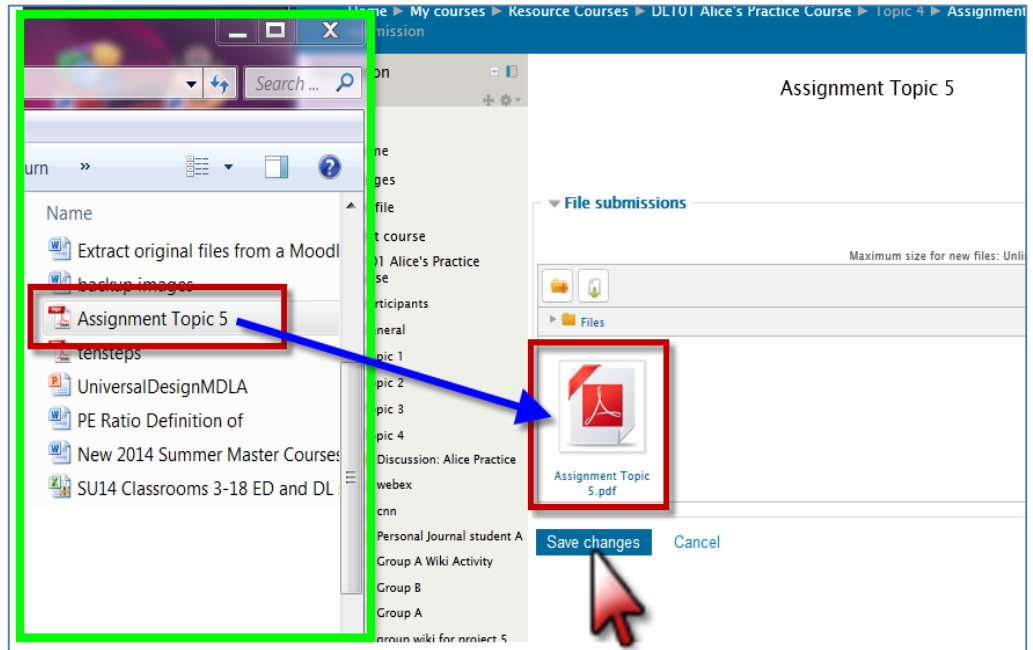

Click the **Add Submission** button on the **Submission status** page.

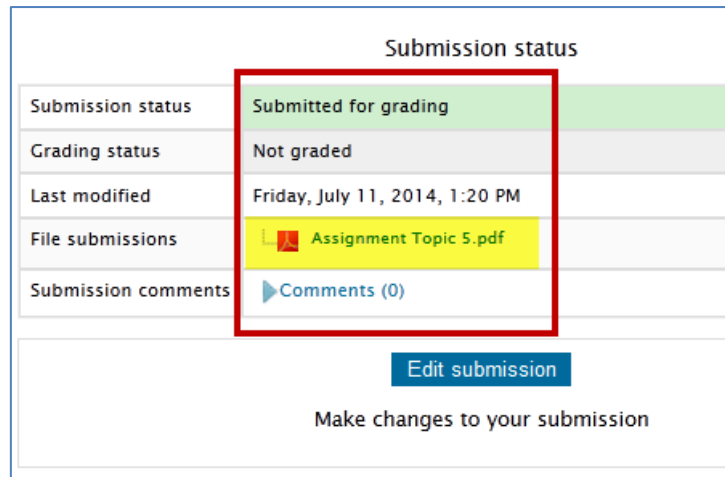

Keep GoucherLearn open and open the drive on your computer where you saved your PDF document. Open the file directory next to your GoucherLearn course. You may need to adjust the size of each window to do so.

Click on the PDF file and drag it into the **file submissions** box in GoucherLearn.

Click the **Save changes** button.

The PDF file has now been submitted to the assignment. Details are listed on the Submission status page.

Your instructor can make notes and corrections on the PDF document.

The annotated PDF document will be returned to you at the bottom of the [Submission status](#) page where your grade is also listed in the [Feedback](#) section.
