Goucher College is working in partnership with Anne Arundel County Public Schools to sponsor education cohorts on site within AACPS. Cohorts are 18 credits each and will be on site in AACPS and on Goucher's campus during the summer at a reduced tuition rate for eligible teachers. Non-cohort classes are also offered on site at AACPS at the full tuition rate.

- You may take a single course or complete the whole program.
- With additional coursework, the cohorts offered to Anne Arundel County teachers lead to a master's degree.
- Goucher College's direct billing agreement with AACPS minimizes out-of-pocket expenses for eligible teachers.
