In order for Goucher College to directly bill for the tuition reimbursement at the end of the semester, Goucher College is required to include a copy of your semester transcript to verify completion of the course. In order to comply with FERPA regulations, the Registrar's Office requires that we have a signed release form on file that is valid for the duration of your enrollment here at Goucher College. Therefore, please complete this General FERPA Release form and return it along with your registration form or by itself. If we do not have this form on file we will not be able to directly bill the county for your reimbursement/tuition and will have to directly bill you for the tuition rather than collecting it directly from the school/employer.
