The expectation is to start with an essential question, work on mind maps, process journals/sketchbooks and complete a selection of completed works in a Sustained Investigation. You will pick the portfolio of your choice and work with your own materials. Everyone will be expected to create several pages in their journal and four to six completed works.

**GRADUATE CREDIT:** Work to the best of your ability and be prepared to share your works on INSTAGRAM (making new accounts #WinklerAPAD2022APSI) You will be able to share your work with other participants and with your students when you return to the classroom.

**OPTIONAL:** Create your syllabus for the Course Audit. Be prepared to create art, critique art in small group settings, evaluate portfolio examples provided by College Board with partners and in whole group activities.
