GOUCHER COHORTS AT AACPS

At-Risk and Diverse Learners with a Literacy Emphasis (existing cohort students)

Geared toward helping participants better understand and guide a growing population of psychologically and sociologically disrupted students to become more productive and successful students, with focus in the areas of reading and writing. This cohort can be applied to either the M.Ed. or Professional Development Certificate.

Special Education, Initial Teaching Certification (existing cohort students)

Ideal for those who are currently teaching under a conditional teaching certificate. The courses in this cohort will count towards Goucher College's MSDE-approved Master of Arts in Teaching (M.A.T.) degree with Special Education Certification (either grades 1-8 or 6-adult).

Reading Instruction (existing and new cohort students)

Supports the county efforts to prepare literacy professionals who will provide leadership for the school reading program. The Reading Instruction cohort can lead to reading teacher endorsement (12 credits required) or reading specialist certification (additional coursework required). This cohort can be applied to either the M.Ed. or Professional Development Certificate.

Special Education for Certified Teachers (existing cohort students)

A need exists for regular education teachers to learn more about exceptionalities and how disabilities impact the acquisition of knowledge. This cohort program is designed to address this need and teachers can obtain special education certification through Praxis assessment. This cohort can be applied to either the M.Ed. or Professional Development Certificate.

School Improvement Leadership (existing and new cohort students)

This cohort is designed to develop innovative leaders who demonstrate skills in leading change and in establishing and sustaining a positive school culture. The cohort leads to Administrator 1 certification through completion of either the M.Ed. or, for those with earned master's degrees, the Professional Development Certificate.

Literacy Strategies for Content Learning (existing cohort students)

This cohort is designed to address the College and Career Ready Standards and empower secondary and elementary teachers to use proven, effective, reading-writing-listening-speaking-thinking strategies to improve student performance in the content they teach. This cohort can be applied to either the M.Ed. or Professional Development Certificate.
