GOUCHER COHORTS AT CCPS

At-Risk and Diverse Learners with a Literacy Emphasis

Geared toward helping participants better understand and guide a growing population of psychologically and sociologically disrupted students to become more productive and successful students. The courses in this cohort can be applied to either the M.Ed. or Professional Development Certificate.

Reading Instruction

Supports the county efforts to prepare literacy professionals who will provide leadership for the school reading program. The courses in this cohort can be applied to either the M.Ed. or Professional Development Certificate and lead to reading specialist certification.

School Improvement Leadership

This cohort is designed to develop innovative leaders who demonstrate skills in leading change and in establishing and sustaining a positive school culture. The cohort leads to Administrator 1 certification through completion of either the M.Ed. or, for those with earned master's degrees, the Professional Development Certificate.

Literacy Strategies for Content Learning

Designed to address the Common Core State Standards and empower ALL teachers to use proven, effective, reading-writing-listening-speaking-thinking strategies to improve student performance in the content they teach. Intended specifically to meet the goal of content teachers to help students learn content they teach! Strategies presented in this program can be used to help students read, write, and think like scientists, historians, mathematicians, etc. as well as listen and speak as competent learners in any area of study.

Special Education for Certified Teachers

A need exists for regular education teachers to learn more about exceptionalities and how disabilities impact the acquisition of knowledge. Content area certified teachers need a broader knowledge base, skills, and dispositions in order to effectively teach students with disabilities.

Cecil County Cohort Classes (700s)

Instructors have the right to establish online classes as needed or conduct a make-up session at the end of the semester

*The Cecil County cohort classes held in HCPS will follow the HCPS schedule and classes will be cancelled if HCPS is closed or closes early for any reason. Cecil County cohort classes held on the Goucher College campus will follow the college's schedule unless otherwise noted.
