### **Baltimore/Washington International Thurgood Marshall (BWI) AIRPORT:**

Transportation options:

- The least expensive option is to take the Light Rail, which has its station platform just outside an entrance to the International terminal. Purchase a ticket from the ticket vending machine before boarding Light Rail. Tickets are not available onboard. The fare to the Lutherville Station (the closest to Goucher College) is \$1.60, and the trip takes around 45 minutes. You can download fare and schedule information here: <http://mta.maryland.gov/light-rail>
- Note on the schedule that not every departure from BWI stops at the Lutherville station. Once at Lutherville, you can take a cab/Uber/Lyft to Goucher; an Uber should cost around \$8. If there are no cabs waiting, you can call either Towson Sedan at 410-321-4567, or Jimmy's Cab at 410-296-7200. You can also catch the LocalLink bus #93 which will take you a few blocks from campus. Getting off the bus at stop A on the map linked below, walk up Towson Gate St. for one block (away from the mall). Turn left on Southerly, then take the next right. In about a block you will be on Goucher's campus near the guard's gatehouse. City buses cost \$1.60 (exact change). - Shuttle service is available to **some** hotels listed in the lodging section. Please contact the hotel directly for more information.
- If renting a car and driving, when leaving the airport, follow signs and take I-95 NORTH. Look for the junction of I-95 and I-695. Take I-695 North toward Towson, then take exit 27A (Dulaney Valley Road, south). Once on Dulaney Valley Road, get into the left lane and make a left at the first light; this is the main entrance to Goucher College.

- SuperShuttle (**supershuttle.com or 1-800-258-3826**). At BWI airport, go to the lower level and follow signs to the SuperShuttle desk located between bag claims 6 & 7. While reservations from the airport to Goucher are not required, they are encouraged. SuperShuttle requests 24-hour advance notice for pickup from Goucher to the airport. One-way cost is \$33, and \$12 per person being dropped at the same location. Since this is a shared ride situation, please allow 3 to 4 hours to arrive at your destination (i.e., your interview OR your return flight).
- An Uber from the airport to the Hoffberger Science building takes approximately 45 minutes and costs around \$50, while a cab could be \$65.00+.

### **PENNSYLVANIA STATION (TRAIN)**

Goucher is approximately 25 minutes by Uber from the station. Approximate cost is \$19.

There are also two buses that pick up at Penn Station's west entrance (the Charles Street side).

You can take the GR (green) CityLink bus or the 51 LocalLink bus. The end of both routes is a few blocks from campus.
