Transportation options:

- The least expensive option is to take the Light Rail, which has its station platform just outside an entrance to the International terminal. Purchase a ticket before boarding Light Rail. Tickets are not available onboard. The fare to the Lutherville Station (the closest to Goucher College) is \$1.90, and the trip takes around 1 hour. You can download fare and schedule information here: <http://mta.maryland.gov/light-rail>
- Note on the schedule that not every departure from BWI stops at the Lutherville station. Once at Lutherville, you can take a cab/Uber/Lyft to Goucher; an Uber should cost around \$10. You can also catch the LocalLink bus #93 which will take you a few blocks from campus (allow 30 min for travel time). Getting off the bus at the Fairmount Ave/Towsongate Drive stop, walk up Towsongate Drive for one block (away from the mall). Turn left on Southerly, then take the next right. In about a block you will be on Goucher's campus near the guard's gatehouse. City buses cost approx. \$1.90 (exact change). Shuttle service is available to **some** hotels listed in the lodging section. Please contact the hotel directly for more information.
- If renting a car, take I-95 North. Take the left exit to I-695 North towards Towson. Then take exit 27A (Dulaney Valley Road, south). Once on Dulaney Valley Road, get into the left lane and make a left at the first light; this is the main entrance to Goucher College.

- SuperShuttle (**supershuttle.com**). At BWI airport, go to the lower level and follow signs to the SuperShuttle desk. Since this is a shared ride situation, please allow 3-4 hours to arrive at your destination (i.e., your interview OR your return flight).
- An Uber from the airport to the Hoffberger Science building takes approximately 45 minutes and costs around \$50, while a cab could be \$65.00+.

### **PENNSYLVANIA STATION (TRAIN)**

All passenger trains arrive at Pennsylvania Station in downtown Baltimore.

Goucher is approximately 25 minutes by Uber from the station. Approximate cost is \$22.

There are also two buses that pick up at Penn Station's west entrance (the Charles Street side).

You can take the GR (green) CityLink bus or the 51 LocalLink bus (allow 45 min. minimum for travel time). The end of both routes is a few blocks from campus. Getting off the bus at the Fairmount Ave/Towsongate Drive stop, walk up Towsongate Drive for one block (away from the mall). Turn left on Southerly, then take the next right. In about a block you will be on Goucher's campus near the guard's gatehouse. City buses cost approx. \$1.90 (exact change).

**ENTERING CAMPUS:** Vehicles should enter campus from our main entrance on Dulaney Valley Road. If you're walking from the bus stop, you will enter from a side road near the guard's gatehouse. Your goal is the Dorsey Center parking lot, which you can see ahead and to your left as you proceed past the gatehouse. Take the first left to the Dorsey parking lot. From the far end of the parking lot, look to your left and you will see the back of Hoffberger Science Building (#12 on Goucher campus map). Under the small observatory you will see a door labeled Hoffberger Science (above the door). The main PBPM Office is located on the first floor in Room 167 (note that this is one floor up from the Ground Floor entering from the parking lot).

Dorsey Center is the large administration building to the right of Hoffberger (#4 on Goucher campus map).

The Athenaeum is #2 on the campus map.
