I. POLICY STATEMENT

All Goucher students are expected to complete the study abroad requirement as part of their graduation requirements at Goucher College.

II. SCOPE

This policy applies to all undergraduate students.

III. PURPOSE

The purpose of this policy is to provide guidelines for students who need to request a Study Abroad substitution for one of the following reasons:

Reason 2: Student has Title IX accommodations.

Notes: (1) Students who are citizens and primary residents of a country other than the United States and who have completed their high school diploma or certificate outside the U.S. are already fulfilling the study abroad requirement by studying at Goucher College. The Global Education Director will inform the Registrar when an international student enrolls in Goucher College so that the Study Abroad requirement is recorded as completed in the student’s record. (2) All transfer students who have completed a study abroad program in an accredited higher education institution or completed an internship related to international content or an international internship prior to enrolling at Goucher will have satisfied the study abroad requirement upon enrollment. Students should send transcript of study abroad experience to studyabroad@goucher.edu who upon receipt and approval will inform the Registrar.
