

Academic Contract for Student Success

All students who are applying for academic forgiveness are required to meet with an academic advisor or coach in ACE to develop an Academic Plan for Success containing both required academic activities and personalized academic goals. While plans will vary student to student, each **contract** will minimally require **weekly scheduled meeting with a team member in ACE; attending classes and turning in assignments on time; as well as a goal for a semester GPA of at least a 2.0. The contract and plan will be shared with the student’s academic advisor and faculty members.**

I agree to the following academic requirements:

- Attend all classes. Unexcused class absences are not allowed. (For an excused absence, documentation must be presented.)
- Turn in all assignments on time. (In case of a personal emergency, student must communicate with the professor and the Associate Provost for Undergraduate Studies, Dr. Isabel Moreno-López.)
- Attend weekly meetings with your academic advisor or coach beginning the first week of the semester. (Documentation for a missed meeting must be presented.)
- Complete your Academic Plan by the end of the third week of the semester.
