

FOREIGN LANGUAGE AGREEMENT FOR STUDENTS

PURSUIING LANGUAGES NOT OFFERED BY GOUCHER COLLEGE

The study of foreign language and culture provides a foundational undergraduate competency. Foreign language study will strengthen the development of cross-cultural awareness and intercultural communication, and provide opportunities for students to explore links between foreign language and other disciplines, and to prepare for and reflect on their study abroad experience.

All students will satisfy the Goucher Commons Requirement of Foreign Language by taking 10, 8, or 4 credits in one of the following platforms.

Platform	Placement	Required Credits	Required Courses in a Foreign Language
1	110	10	110+120+ one 2-credit language culture practicum course
2	120	8	120+130
3	130	8	130 + one 200-level course
4	Beyond 130	4	One 200-level or one 300-level course

Students may not audit language courses or exclusively take online courses to satisfy the foreign language requirement.

This agreement is designed for those students who intend to complete their foreign language requirement with a language not offered by Goucher College.

I, _____ (print student name), intend to complete my foreign language by taking Non-Goucher courses in the foreign language of _____.

Student's Signature: _____ Date: _____

Upon approval of this form the student will also need to submit a completed Non-Goucher Course Approval form or a Study Abroad Course Approval form for each course they want to complete at another school in order to have transfer credit officially approved.

Approval of Director of the Center for Modern Languages, Literatures, and Cultures:

The above student is approved to complete the Goucher Commons Requirement of Foreign Language by taking courses in _____ (specify language). They will need to complete the following courses at the following college/university in order to fully satisfy the requirement.
